Dear Principal and Teacher,

Synergy School Tour of Toolbox International Creative Academy 2021 (TICA2021) - School workshop x Music performance

Greetings from Toolbox Percussion! Toolbox Percussion is music grantee funded by Hong Kong Arts Development Council and we are launching "Synergy School Tour of TICA2021 - School workshop x Music performance", a school tour aiming to provide a taste of percussive arts for pupils in local primary and secondary schools. "Transforming Everyday Objects into Music" is our company mandate and we restlessly anchor every now and then by creating quality music. To enable more students to experience quality percussive arts programmes, Toolbox Percussion is launching preparatory music demonstrations and workshops in schools for a second round.

The "Synergy School Tour" is a part of our flagship education initiative "Toolbox International Creative Academy 2021", financially supported by the "Arts Capacity Development Funding Scheme". The programme constitutes percussion workshop and music demonstration as a preparatory guide to dissecting, appreciating contemporary music techniques on percussion, string and composition, as well as exchanging with artist. Interactively engaging, the school tour provides career insight, knowledge about the industry, and practical tips for further studies. The school tour is made fit for students who are interested in pursuing a career in music or performing arts.

The programme is running FREE of charge, and is now calling for application. Upon receipt of application, we will contact school to work out the date for school tour. If the programme is of interest to your school, please submit the **Online Application Form** or return the attached **School Application Form** by email.
