MORE THAN MUSIC PROGRAMME

We believe exchanges and connections to the folks of the larger international community stimulate artists intellectual visions and creativity.

TRAINING TO ASPIRING **PRACTISING MUSICIAN**

Incubation and professional furtherance are keys to creating a greater impact on the arts scene of Hong Kong. Toolbox Percussion will build upon the success of last year's TICA and recruit 30 percussion and string practising musicians worldwide to take part in the week-long festival to creative workshops, masterclasses, performance lectures and panel discussion from TICA teaching artists.
